NOTE FOR: D/DCI/NI

SUBJECT : Interagency Memorandum on  
Euro-Communism

1. Attached is the working draft of this IIM distributed to the representatives today, with a request to meet on it Wednesday, 25 May.
2. It still needs some work, including more editorial shortening and a conclusion or major judgments section. I will be doing these in the next few days.
3. My scheme is to adjourn the reps meeting on Wednesday for an hour, since I plan to have three of the main participants with me at the DCI session on this subject.
4. The summary report on the Airlie House Conference will not be available until mid-week next. State is more leisurely than we.
